

# HOW IT WORKS

- Stamp your passport at each location
- Once you've collected a minimum of 5 stamps, submit your passport at any participating business to be entered in a raffle
- Raffles will be drawn on **DAY 2** of National Clay Week, **October 11th**. You will be contacted with the information you provided on the front
- Share your experience at **#nationaldayweek** and see what other participants like you are sharing

Thank you for supporting local artists and businesses!
